

Transferring Injections To Our Office

If you wish to transfer your serum and injections to our office from another provider, please follow the listed instructions:

1. Establish a New Patient Appointment with our office by calling 214-559-0202.
2. Gather the necessary information to bring with you to your first appointment. This includes all medical records, skin test record, serum recipe, and injection protocol. We will also need your serum, which you can bring with you to the appointment or have your other allergist's office ship it to:

Park Cities Allergy and Asthma

4119 Lomo Alto Drive

Highland Park, TX 75219

3. At your appointment, Dr. Schroeder will review your medical records and shot history with you to determine the possibility of continuing your immunotherapy care here at Park Cities Allergy and Asthma.
